

# HARRINGTON BEACH STATE PARK 2006 DEER SEASON SPECIAL REGULATIONS

Only holders of a 2006 Park Access Permit for deer hunting in Harrington Beach State Park (Deer Management unit 69C) may deer hunt in the park. On all vehicles that enter the park, Park admission stickers are required (\$7.00 per day or \$25.00 annually for residents; \$10.00 per day or \$35.00 annually for non-residents). Hunters are encouraged to purchase stickers prior to opening morning to avoid delays at the office. Stickers may be purchased at the park office or at the self-sticker sales booth located adjacent to the park office. Eligible hunters will not be required to check in at the park office before hunting.

## Season Dates:

- Harrington Beach State Park will be open to deer gun hunting (muzzleloaders only) November 18 – December 6, 2006. **NOTE: Harrington Beach State Park will not be open to muzzleloader hunting during the statewide December 7 - 10, 2006 antlerless gun hunt.**
- Archery deer hunting will be open in the park from November 27 – January 7, 2007. Archers must meet blaze orange requirements from November 27 – December 6, 2006.

## Weapon Restrictions:

- Only Muzzleloaders** may be used to hunt deer during the November 18 – December 6, 2006 firearm season. Please see the *2006 Wisconsin Deer Hunting Regulations* for muzzleloader restrictions. All firearms must be unloaded and enclosed within a carrying case when in a motor vehicle or within a closed area of the park.  
Note: Muzzleloaders are considered unloaded if the cap is removed from a cap lock muzzleloader, or the flash pan is cleaned on a flint-lock muzzleloader; the ball and powder may remain in the barrel.
- No scope restrictions apply during the 19-day muzzleloader season in Harrington Beach State Park.

## Tagging Options:

- Muzzleloader hunters that receive a 2006 Park Access Permit for unit 69C may use their Gun Buck Deer Carcass Tag to tag a buck during the 19-day muzzleloader season listed above.
- Archery hunters that possess a valid archery license and a Park Access Permit for unit 69C may harvest one deer of either sex with their unfilled Archery Either-Sex Deer Carcass Tag and one antlerless deer with their Archery Antlerless Deer Carcass Tag.
- In addition, muzzleloader and archery hunters may tag additional antlerless deer per Antlerless Deer Carcass Tag valid in Herd Control or Earn-a-Buck Units. One tag comes free with each gun and archery deer hunting license.
- Additional Antlerless Deer Carcass Tags valid in Herd Control and Earn-a-Buck units are \$2 each (for residents and non-residents) and may be purchased online or at any DNR license sales location.

## Hunting Hours:

- Hunting hours are found in the *2006 Wisconsin Deer Hunting Regulations* (pages 50 - 53). **Hunters may enter the park up to one hour before the legal hunting hours begin for that day.**

## Deer Registration:

- Any deer harvested in Harrington Beach State Park must be registered at a registration station in the adjacent unit of kill. A list of registration stations is available on the DNR website ([dnr.wi.gov](http://dnr.wi.gov)) or at all DNR Service Centers.

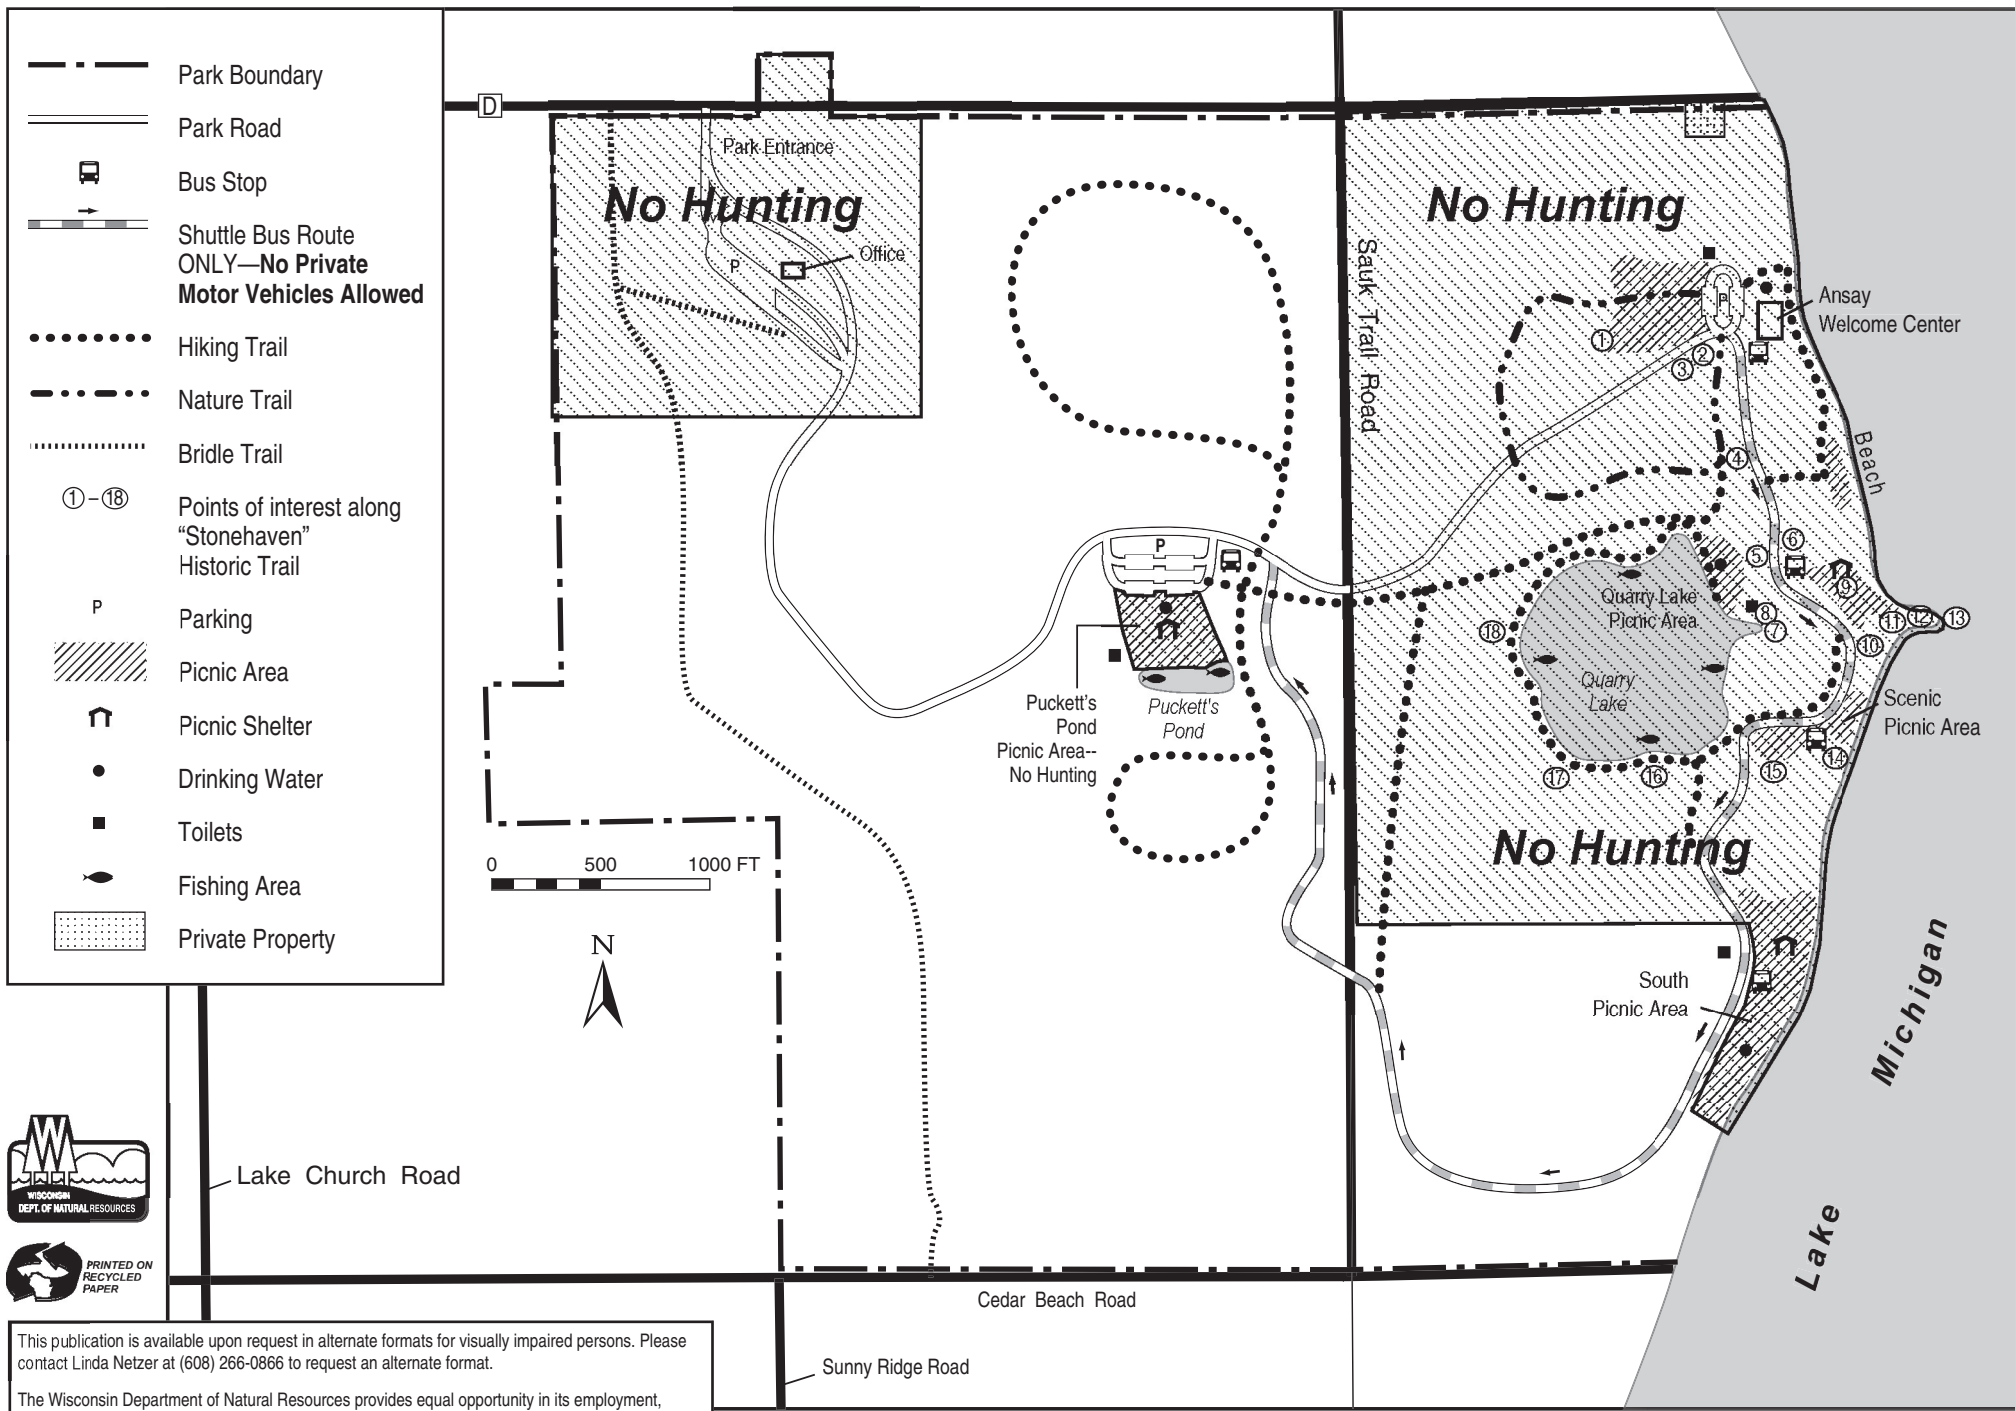

## Additional Park Regulations:

- Some areas of the park will be posted as closed areas (see map on back). A wounded deer moving into the closed area may not be pursued by the hunter and deer may not be driven from a closed area. Park employees must be informed by the hunter of the locality of any wounded animal within the closed area. Park employees may assist the hunter in recovery of the deer.
- All parking and traffic regulations shall apply during the season. Vehicles shall be operated only on established roads and parking is permitted only in established parking lots. Vehicles parking on Sauk Trail Road are required to have a valid park sticker.
- It is illegal to hunt within 50 feet of the roadway's center or discharge a firearm from or across a park road.
- Group Hunting is restricted to persons in possession of a 2006 Park Access Permit for unit 69C. Persons who have filled their carcass tags may continue to engage in group hunting, providing they have their unit 69C Park Access Permit in their possession.
- Portable tree stands and blinds may be used provided they are removed from the property each day at the close of hunting hours. No person may cause damage to trees by the placement or erection of portable tree stands or by any other manner while climbing or hunting from a tree.
- New for 2006:** All tree stands that are not occupied during legal hunting hours shall have the owner's customer ID number or name and address attached to the tree stand in a manner that is visible to a person on the ground.
- All hunters should be aware of other recreational users within the park. Not all people will be wearing blaze orange, so be sure of your target and beyond!
- See the *2006 Wisconsin Deer Hunting Regulations* for additional regulations.
